

CELTIC NATIONS INTERNATIONAL

BRINGING TOGETHER THE CELTIC NATIONS
SHARING THEIR HISTORY & CULTURE

Celtic Nations International

is coordinated by Celtic Nation Kernow continuing the cultural legacy of the International Celtic Congress

We are encouraging peoples and organisations from across all the Celtic Nations to join us in sharing our Celtic histories and culture through new 21st century technology and wider membership.

Celtic Nation Kernow has a FREE membership scheme open to all those who love and have interest in the cultures of all our Celtic nations. This includes activities under Celtic Nations International banner

Those that want to share something of their own Celtic nations culture and history are encouraged to write articles and blogs for the website, social media and newsletter. Bilingual items are very welcome.

Could you contribute by offering an online talk via Zoom or even offer some lessons in your national Celtic language

Perhaps you could contribute some music or poetry we could share online or via YouTube or TikTok or other social media.
